

Heavy Mechanical Trades Foundation

School District Dual Credit Program

2019 - 2020

This 38-week program provides learners with little or no previous experience in the Heavy Duty Mechanic, Commercial Transport Mechanic, Diesel Engine Mechanic, or Transport Trailer Technician trades with the skills necessary to seek employment in the industry. Instruction in theoretical and practical components of all four trades are included, giving students the opportunity to choose to enter any of the four trades as an apprentice. The program includes a two-week industry work placement.

Career Opportunities

Depending on which of the four trades you decide is your best fit, after graduating from the program you would be looking for work in forestry, mining, railway, busing and trucking companies; transport and automotive dealerships, shops, garages and service stations; and, in agriculture and landscaping companies.

WorkBC – www.workbc.ca

ITA – www.itabc.ca

Program Outline

HMFP 111 Industry Work Placement students must receive a “Pass” grade. In all other courses minimum passing grades is 70%

HMFP 101A Occupational Skills (Theory)

HMFP 101B Occupational Skills (Practicum)

Credentials Received

Graduates of this program will receive an Okanagan College program certificate, Level 1 Technical Training credit and 450 work-based training hours towards one of the four trades from the Industry Training Authority.

Secondary school students will be given credit towards Grade 12 graduation.

Physical Requirements

- Lift and carry tools, equipment, supplies and materials weighing up to approximately 30 lbs.
- Lift, carry, hold and operate hand, air and power tools from below grade to above shoulders
- Stand on concrete, dirt, rock, asphalt, wood, etc. for extended periods of time
- Bend, stoop, kneel, crawl to perform tasks
- Work in confined spaces
- Work in both indoor and outdoor venues, through all seasonal challenges
- Push/pull and carry tools and troubleshooting equipment
- Climb extension ladders, and work on scaffolding at heights

Recommendations for Success

- Good general health and respiratory condition
- Capable of doing physical work
- Physical strength and stamina compatible with the handling of heavy equipment and materials
- Ability to tolerate noise and vibration
- Balance and coordination to walk on uneven ground for up to 8 hours per day
- Good manual dexterity
- Good hand-eye coordination
- Satisfactory eyesight, line, form and depth perception
- Willing to work in team and individual environments

Sponsorship Requirements for School District Students

- Attend "Student for a Day" at Okanagan College in the program of interest
- Complete the School District application package and hand it into your Career Programs Coordinator
- Successfully pass the School District entrance criteria for English and Math (ABLE Tests)
- Be on track to graduate with a Dogwood diploma
- Meet with parents and Career Coordinator to review program and school district expectations
- Okanagan College course requirements/admission requirements met for program
- Application approved and accepted by School District
- An interview may be required for potential applicants

Focus on Safety

Okanagan College is committed to providing a safe learning environment for students. All students are responsible for:

- Knowing safe work procedures in classroom, shop, and work areas.
- Following the safety standards as taught by the instructor. These standards meet or exceed the regulatory requirements of the WorkSafe BC Occupational Health and Safety Regulation.

Failure to do so may result in suspension from the program. Each student is expected to report any unsafe condition or unsafe behavior to his/her instructor.
