Trade Sampler Programs for Grades 10 - 12

Central Okanagan Public Schools and Okanagan College have partnered together to deliver trades exploration programs to assist students in their career exploration while earning valuable construction, technology and mechanical skills. Students will have the opportunity to sampler various trades occupations, such as Carpentry, Electrical, Plumbing, Sheet Metal, Automotive Service Tech, Collision Repair/Painting, Mechanical and Aircraft Maintenance, that are currently in demand in BC through hands-on learning opportunities.
