# SKILED TRADES YOUTH WORK IN TRADES

Youth Work In Trades is a high school dual credit program that provides students 15 – 18 year olds with the opportunity to begin an apprenticeship while still in high school. Students must be employed (paid) in an apprenticeable trade. Most students' work does not interfere with their school day. Youth Work in Trades can be completed on weekends, evenings, summer holidays, or on a special release from school if the timetable permits. This is a wonderful opportunity to get a head start on a trade while completing secondary school graduation. While also qualifying for a \$1000 dollar grant.

## PROGRAM DETAILS

Students that complete 480 hours of work experience receive 16 graduation credits. Youth Work In Trades students, who complete a minimum of 900 apprenticeship hours and maintain a c+ or better average in their Grade 12 courses, may also qualify for a \$1000 scholarship.

## PROGRAM BENEFITS

- Earn money while learning skills valued by employers.
- Get a head start in your career – A Skilled Trades Youth Work student can be a "journey person" by the time they are 21.
- Earn 16 credits towards graduation (4 courses worth 4 credits each)
- Be eligible to receive a \$1,000.00 scholarship.
- Get \$1,000.00 tax credit after completion of your Level 1

## ELIGIBILITY

- Students who are school age (15-18 years of age as of July 1st of the current school year) and enrolled in a District Secondary school or DL Program.

## \$1000 Award Criteria

Students who are eligible for the Youth Work in Trades Award will automatically be considered. There is no need to apply.

To be eligible, students must have:

- Been registered with Skilled Trades BC as a Youth Apprentice
- Graduated with a Grade 12 Dogwood Diploma or Adult Dogwood
- Successfully completed WRK 11A, WRK 11B, WRK 12A, and WRK 12B
- Maintained a C+ average or better on Grade 12 numbered courses \*
- Reported a total of at least 900 hours to the ITA by December 31 of the school year the student turns 19 \*\*

\* Note: A student's graduation transcript only includes the courses the student passes. The Youth Work in Trades Award uses all Grade 12 numbered courses in the calculation of the grade point average.

\*\* To be eligible for a Youth Work in Trades Award, a student must complete 900 hours of work-based training by December 31 of the school year when the student turns 19. The December 31 date ensures the awards will be ready for distribution during that school year. In some cases, students are unable to complete the required hours by December 31 due to circumstances beyond their control. To accommodate these students, a second cycle to verify work-based hours occurs in early September of the following school year. Those school-aged students who met the eligibility criteria on or before June 30, but were unable to complete or report their hours to Skilled Trades BC by December 31, can still receive the award if they accrue the required work-based hours by August 31. Awards for these students will be processed and distributed in October.
