COLLEGE/UNIVERSITY TRANSFER COURSES

Program Overview

The Academic Dual Credit Program is a collaboration between Central Okanagan Public Schools and Okanagan College.

The program provides an opportunity for highly motivated, high achieving students to pursue **both** high school grad credits and first-year post-secondary credits.

Students can enroll in 1 to 2 first-year college transferable courses that fit into their secondary school schedule.

Course selection must be part of a student's **documented education/transition plan** from high school to post-secondary.

Transfer courses **cannot** be offered at the student's home school, accessible to student at another school within the district, or offered through distance learning.

Students are encouraged to **apply during the spring of their Grade 11 year**, to be eligible to take college/university transfer courses during the Fall or Winter Sessions during their grade 12 year.

Why Should I Be Interested?

I am a motivated student who wants to explore my post-secondary transition choices.

I want to earn **4 PSI credits/per course** towards graduation.

The school district will **pay for course tuition**. Approximate cost of tuition is \$400 per course.

I will only **need to cover** the cost of any ancillary fees, textbooks, and supplies. Approximate cost of fees is \$75. The cost of textbooks will vary depending on the course.
