

# CURIOUS ABOUT A CAREER IN EARLY CHILDHOOD EDUCATION?

Do you want...

- a fulfilling career working with children birth to 5 years of age?
- to create and support play-based learning?
- to guide children and support their holistic development?
- to support inclusion and the building of meaningful relationships with children and their families?

## EARLY CHILDHOOD EDUCATOR

\$23-\$25 /hr

Complete your ECE program and work as a primary educator in licensed child care programs for children 3 to 5 years of age. You may also work alongside an Infant Toddler Educator in programs for children under 36-months of age.

You can then further your education with either your Special Needs Educator or Infant Toddler Educator Certification.

## EARLY CHILDHOOD EDUCATOR ASSISTANT

\$15-\$19 /hr

Start your education and gain experience with educators in licensed child care programs for children birth to 5 years of age.

## Special Needs Educator

\$23-\$25 /hr

Provide an inclusive early care and learning environment for all children, including children with support needs, disabilities, or diverse abilities.

## Infant Toddler Educator

\$25-\$30 /hr

Complete your Infant Toddler Educator program and work as a primary educator with children birth to 3 years of age.
