

Office Assistant

School District Dual Credit Program

The 510-hour (17 weeks) Office Assistant Certificate program is an entry-level program for students interested in working in business offices. Students in this program learn essential business skills such as business communications, computer essentials, office procedures, business math, word processing, spreadsheet and database software. Graduates may be employed as receptionists, file clerks, and office assistants. Graduates of this program may also choose to continue their education by enrolling in more advanced Office Administration programs such as the Accounting Assistant, Administrative Assistant, Legal Administrative Assistant, or Medical Administrative Assistant Certificate programs.

The Office Assistant Certificate program is offered on campus as well as online. On-site students are normally enrolled full time; students wishing to take courses on site on a part-time basis should consult with the department chair. Online students may complete the program part time.
