

Recreation Vehicle Service Technician Foundation

School District Dual Credit Program

This 31-week (950 hour) program has been designed to take a student with little or no previous experience and supply him/her with the necessary skills to seek employment as an apprentice RV Service Technician. The program exposes the student to many aspects of servicing and repair in the RV repair trade with a focus on developing practical skills.

This program includes Electrical, Plumbing, Carpentry, Joinery, Refrigeration, Gas Fitting, Appliance Repair, and much more, all wrapped into one program.

Career Opportunities

As part of an expanding service industry, this career provides not only a high level of employment, but great opportunities for mobility. Employment may be found with recreation vehicle dealers, manufacturers and repair facilities throughout North America. For more information on Recreation Vehicle Service Technician employment opportunities:

- Satisfactory eyesight, line, form and depth perception
- Willing to work in team and individual environments

Sponsorship Requirements for School District Students

- Attend “Student for a Day” at Okanagan College in the program of interest
- Complete the School District application package and hand it into your Career Programs Coordinator
- Be on track to graduate with a Dogwood diploma
- Meet with Career Coordinator to review program and school district expectations
- Okanagan College course requirements/admission requirements met for program
- Application approved and accepted by School District
- An interview may be required for potential applicants

Focus on Safety

Okanagan College is committed to providing a safe learning environment for students. All students are responsible for:

- Knowing safe work procedures in classroom, shop, and work areas.
- Following the safety standards as taught by the instructor. These standards meet or exceed the regulatory requirements of the WorkSafe BC Occupational Health and Safety Regulation.

Failure to do so may result in suspension from the program. Each student is expected to report any unsafe condition or unsafe behavior to his/her instructor.
