

TRADES SAMPLER PROGRAMS

CONSTRUCTION **MOTIVE** **CULINARY**

Trades Sampler programs for grades 10-12

Central Okanagan Public Schools and Okanagan College are partnering together to deliver trades exploration programs to assist students in their career exploration while learning valuable construction, technology, motive, culinary/pastry skills. Students will have the opportunity to sample various trades occupations such as Carpentry, Electrical, Plumbing, Sheet Metal, Automotive, Mechanical, Aircraft Maintenance, Culinary Arts, and Pastry Arts, that are currently in demand in BC through hands-on learning opportunities. In addition, students will also complete the outcomes for their math 10 or 11 (A & W Math) graduation requirement.

Trades Sampler
Open to grades
10-12

EXPLORE:

CONSTRUCTION

drafting, carpentry,
electrical, plumbing,
sheet metal

MOTIVE
